## SHEERLINE &amp; PRINCESS IDENTIFICATION:

Vehicle Information: It is very helpful that you state as much information about your Sheerline/Princess including the [car chassis number](#) and [engine serial number](#) during the check out process. This helps us to identify your Sheerline/Princess ensuring we send you the correct part.

Although we will make great efforts to provide the proper part for your vehicle, don't despair if the one you receive doesn't look anything like the part found on your vehicle. Such is the lot of the Sheerline/Princess owner. At times, [great patience](#) may be required as the vehicle may have been modified over the vestiges of time.
